

FOR SHIFT NIGHTS

A Prayer for Daddy's Crew

Dear God,
My firefighter is at the station tonight.
Please keep them safe on every call.
Give them strong arms, a brave heart,
and a crew that has their back.
Help every person they help tonight,
and bring them home to us in the morning.
Amen.

"The Lord will watch over your coming and going both now and forevermore." Psalm 121:8
